📍 1708, Dominion Centre, 43-59 Queen's Road, WanChai, Hong Kong

A low-angle, front-facing view of a large commercial airplane, likely a Boeing 747, on a runway. The aircraft is the central focus, with its four engines and landing gear visible. The background shows a clear sky and distant hills. The image is partially overlaid by a yellow and black graphic on the right side.

ABOUT US

Top Stars Air is an International Business Aviation Management Company, originally founded in Antalya, Turkey in June, 2012, with the intention to help business jet owners manage and maintain their aircrafts in a transparent and efficient manner.

In February, 2013, TSA (Top Stars Air) Headquarters have been moved to the Top Business Aviation location- Hong Kong, SAR, China.

With **over 28 years of experience** in the industry (private, corporate and commercial aviation) and having operated and managed aircrafts in the **USA, Europe, Asia, Middle East and Africa**, Our Top Industry Professionals will help You enjoy and utilise Your jet in the easiest and most efficient way worldwide.
